Title: A brother's Love

Author: Silmadil

I feel as if I am being  
watched dear sister. I  
leave this with you to  
know I give you my  
promise that I will see  
you tomorrow. do not  
worry. I will be safe in  
the woods. I enjoyed the  
ball tonight, but I am  
still not comfortable  
around all these people.  
See you tomorrow.
